

 **SUZUKI** 
Jimmy
RHINO EDITION

In 1981, Suzuki created the Rhino logomark, choosing a rhinoceros motif because it is reminiscent of rugged and robust real 4x4 vehicles. They have since had it stylised and adopted by Suzuki Jimmy as a sign of toughness and dependability for the 4X4 range.

Suzuki Jimmy Rhino Edition has an arrays of accessories and upgrades enhancing what is already a capable off-roader, coupled with specially designed striking decals, it is bound to make heads turn wherever it goes.
